9101-1 PURPOSE

It is the purpose of this Chapter to:

1. Prevent excessive and unreasonable increases in mobile home park space rents.
2. Prevent exploitation of the shortage of available mobile home park spaces in the County and neighboring areas.
3. Enable mobile home owners to preserve the equity in their mobile homes.
4. Permit mobile home park owners to receive a fair return.
5. Help preserve affordable mobile home space rents within the County.

9101-2 FINDINGS

A. There are some 42 mobile home parks with a total of 1,095 spaces located within the unincorporated areas of the County, comprising nine percent (9%) of the housing units in the County. This is more than double the State average of four percent (4%).

B. Humboldt County General Plan Chapter 8 Housing Element provides for the following goals:

1. To have “[a]n adequate supply of all types of affordable housing for all income levels in all areas of the county, including urban, suburban, rural, hamlet and remote areas.” [Humboldt County Housing Element Chapter 8.4 (H-G2)]
2. To have “[s]ufficient and affordable housing opportunities for seniors, disabled persons, homeless, nomadic, single-parent households, farm workers and large families.” [Humboldt County Housing Element Chapter 8.4 (H-G5)]

C. Humboldt County General Plan Chapter 8 Housing Element provides for the following policy: “The County shall support continuation of existing mobile home and long term occupancy recreational vehicle parks as an important source of affordable housing.” [Humboldt County Housing Element Chapter 8.4 (H-P18)]

D. Humboldt County General Plan Chapter 8 Housing Element provides for the following implementation measure: “The County shall support continuation of existing mobile home and long term occupancy vehicle parks through actions such as legislative changes...” [Humboldt County Housing Element Chapter 8.4 (IM-35)]

E. During recent years, rent increases in Humboldt County mobile home parks have substantially exceeded the percentage increase in the Consumer Price Index (CPI).

F. As a practical matter, the mobile homes in the County’s mobile home parks are “immobile” homes. A large percentage of the mobile homes were manufactured before 2000. Very few mobile home parks in the area will accept mobile homes that are more than a few years old. The cost of moving and setting up a mobile home in a park is substantial. About half of the mobile

homes are “doublewide” structures that consist of two (2) ten- or twelve-foot-wide sections joined together when installed on top of a simple foundation. Mobile homes are rarely moved after they are placed in mobile home parks. When mobile home park residents move they sell their mobile homes “in place” on the rented space.

Special characteristics of mobile home park tenancies generally include the following:

1. The “historical” investments of the mobile home owner (tenants) in mobile homes in mobile home parks generally exceed those of the landlord park owners.

2. Physical relocation of mobile homes is costly.

3. Relocation is practically impossible because there are virtually no vacant spaces in mobile home parks.

4. Park owners generally will not permit older mobile homes to be moved into their parks when they do have vacant spaces for rent.

5. The supply of mobile home park spaces in California is either frozen or declining. Mobile home park construction in California virtually ceased by the early 1980’s as alternative land uses became more profitable and land use policies continually tightened restrictions on the construction of new mobile home parks.

6. The investments of mobile home park residents in their mobile homes are “sunk” costs. The benefits of these investments can only be realized by continuing occupancy or by an “in-place” sale of the mobile home.

G. Court opinions and academic reviews have repeatedly noted the captive nature of mobile home park tenancies. In 2001, the California Supreme Court concluded:

“THE MOBILEHOME OWNER/MOBILEHOME PARK OWNER RELATIONSHIP:

This case concerns the application of a mobilehome rent control ordinance, and some background on the unique situation of the mobilehome owner in his or her relationship to the mobilehome park owner may be useful. ‘The term ‘mobilehome’ is somewhat misleading. Mobile homes are largely immobile as a practical matter, because the cost of moving one is often a significant fraction of the value of the mobile home itself. They are generally placed permanently in parks; once in place, only about 1 in every 100 mobile homes is ever moved. [Citation.] A mobile home owner typically rents a plot of land, called a ‘pad,’ from the owner of a mobile home park. The park owner provides private roads within the park, common facilities such as washing machines or a swimming pool, and often utilities. The mobile home owner often invests in site-specific improvements such as a driveway, steps, walkways, porches, or landscaping. When the mobile homeowner wishes to move, the mobile home is usually sold in place, and the purchaser continues to rent the pad on which the mobile home is located.’ (Yee v. Escondido (1992) 503 U.S. 519, 523, 112 S.Ct. 1522, 118 L.Ed.2d 153.) Thus, unlike the usual tenant, the mobilehome owner generally makes a substantial investment in the home and its appurtenances—typically a greater investment in his or her space than the mobilehome park owner. [cite omitted] The immobility of the mobilehome, the investment of the mobilehome owner, and restriction on mobilehome spaces, has sometimes led to what has been perceived as an economic imbalance of power in favor of mobilehome park owners.” (Galland v. Clovis, 24 Cal.4th 1003, 1009 (2001)).

The Florida Supreme Court concluded that mobile home owners face an “absence of meaningful choice” when space rents increase: “Where a rent increase by a park owner is a unilateral act, imposed across the board on all tenants and imposed after the initial rental agreement has been entered into, park residents have little choice but to accept the increase. They must accept it or, in many cases, sell their homes or undertake the considerable expense and burden of uprooting and moving. The “absence of meaningful choice” for these residents, who find the rent increased after their mobile homes have become affixed to the land, serves to meet the class action requirement of procedural unconscionability.” *Lanca Homeowners, Inc. v. Lantana Cascade of Palm Beach, Ltd.*, 541 So. 2d 1121, 1124 (Fla.), cert. denied, 493.

H. In response to the special situation of mobile home park residents, California has adopted landlord-tenant laws which provide special protections for mobile home park tenants. (California Civil Code Section 798.) In addition, approximately ninety (90) jurisdictions in California have adopted some type of rent control of mobile home park spaces. Typically the rent control ordinances tie annual allowable rent increases to the percentage increase in the Consumer Price Index (CPI)—All Items. Most such ordinances do not permit additional rent increases (vacancy decontrol) or limit rent increases to ten percent (10%) or less when a mobile home is sold “in place”. Under all ordinances, park owners are entitled to petition for additional rent increases in order to obtain a fair return.

I. Many of the mobile home owner households have “very low” income. In 2008, the income ceilings for households classified as “very low” income under federal HUD standards (fifty percent of area median income or under) are twenty-two thousand, seven hundred dollars (\$22,700.00) for one-person households and twenty-five thousand, nine hundred dollars (\$25,900.00) for two-person households. The income ceilings for households classified as “extremely low” income (thirty percent (30%) of area median income or under) are thirteen thousand, six hundred dollars (\$13,600.00) for one-person households and fifteen thousand, five hundred dollars (\$15,500.00) for two-person households. According to demographic, housing and economic data compiled by the Federal Reserve Bank of San Francisco in 2014, sixty-two percent (62%) of Humboldt County renters spend more than thirty percent (30%) of their income on rent, making them “cost-burdened renters.” Sixteen percent (16%) of Humboldt County residents have a disability, and all but one city within the County had median income below the state average of \$61,400.00 as of 2012.

J. Mobile home owners, unlike apartment tenants or residents of other rental units, are in the unique position of having made a substantial investment in a residence which is located on a rented or leased parcel of land. Their investment commonly includes the purchase of the mobile home and the cost of installing the mobile home on its space along related improvements such as a foundation, carports, and integrated landscaping. Excessive rent increases may drastically reduce or eliminate mobile home owners’ equity in their mobile homes, causing mobile home owners to lose a substantial portion or all of their investments.

K. The “maintenance of net operating income” (MNOI) standard is a “fairly constructed formula,” which provides a fair return. (Rainbow Disposal Co. v. Escondido Mobilehome Rent Review Bd., 64 Cal.App.4th 1159 (1998).

L. Adoption of this Chapter is not subject to the California Environmental Quality Act (CEQA) pursuant to Section 15060(c)(2)—the activity will not result in a direct or reasonably foreseeable indirect physical change in the environment, and Section 15060(c)(3)—the activity is not a project as defined in Section 15378 of the CEQA Guidelines because it has no potential for resulting in physical change to the environment, directly or indirectly.

9101-3 DEFINITIONS

A. “Consumer Price Index” means the Consumer Price Index—All Items for all urban consumers for the San Francisco-Oakland-San Jose area (base year equals 1982—1984) as reported by the Bureau of Labor Statistics of the United States Department of Labor.

B. “In-place transfer” means the transfer of the ownership of a mobile home with the mobile home remaining on the mobile home lot following the transfer.

C. “Landlord” means a mobile home park owner, mobile home owner, lessor or sub lessor who receives or is entitled to receive rent for the use and occupancy of any rental unit or portion thereof, and the agent, representative or successor of any of the foregoing.

D. “Mobile home” means a structure transportable in one or more sections, designed and equipped to contain not more than one dwelling unit, to be used with or without a foundation system.

E. “Mobile home park” means any area or tract of land where two or more mobile home lots are rented or leased, or held out for rent or lease, to accommodate mobile homes used for human habitation for permanent, as opposed to transient, occupancy.

“Rent” shall not include:

1. Utility charges for charges for sub-metered gas and electricity.
2. Charges for water, refuse disposal, sewer service, and/or other services which are either provided and charged to mobile home residents solely on a cost pass-through basis and/or are regulated by state or local law.

G. “Rent increase” means any rent demanded or paid by a mobile home owner or mobile home tenant in excess of rent paid for the rental unit immediately prior to such demand or payment. Rent increase includes any reduction in the services provided to a mobile home resident or transfer of the cost without a corresponding reduction in the amount demanded or paid as rent.

H. "Rental agreement" means a written agreement between a landlord and a mobile home owner or mobile home tenant for the use and occupancy of a rental unit to the exclusion of others.

I. "Rental unit" means a mobile home or mobile home lot, located in a mobile home park in the County of Humboldt, which is offered or available for rent. 9101-4 APPLICABILITY OF CHAPTER

This Chapter shall be applicable to all mobile home park spaces within the unincorporated areas of the County of Humboldt except as provided in Section 9101-5.

9101-5 EXEMPTIONS FROM THIS CHAPTER

A. The following exemptions from local rent regulations are provided by state law:

1. Spaces that are subject to a lease which exempts that space from rent regulation pursuant to the California Mobilehome Residency Law, California Civil Code Section 798 et seq.
2. New mobile home park spaces which are exempted pursuant to Civil Code Section 798.45.
3. Spaces which are not the principal residence of the mobile home owner, which can be exempt pursuant to Civil Code Section 798.21.

The purpose of this subsection is to provide information about exemptions based on state law which preempts local law, rather than to provide any basis for an exemption based on this Chapter.

B. This Chapter shall not apply to mobile homes or mobile home parks owned or operated by any governmental agency or any rental unit whose rent is subsidized pursuant to a public program that limits the rent that can be charged for the mobile home.

C. This Chapter shall not be applicable to spaces in mobile home parks with less than ten (10) spaces.

9101-6 PERMISSIBLE RENT INCREASES

No rent in excess of rent in effect on November 1, 2016, may be charged unless authorized by one of the following sections of this Chapter: Section 9101-7 (Automatic annual increases based on increases in the Consumer Price Index), Section 9101- 8 (Allowable rent following the expiration of an exempt lease), Section 9101-9 (Allowable rent increases upon in-place transfers of mobile home ownership), Section 9101-10 (Fair return standard), or Section 9101-12 (Rent increases for new capital improvements).

9101-7 AUTOMATIC ANNUAL INCREASES BASED UPON INCREASES IN THE CONSUMER PRICE INDEX (CPI)

A. Commencing in calendar year 2017, on or after May 1st of each year the rent may be increased over the allowable rent as of May 1st of the prior year by one hundred percent (100%) of the percentage increase in the CPI last reported as of January 30th in the current year over the CPI last reported as of January 30th in the prior year. The percentage amount of said increase shall be rounded to the nearest one-quarter percent.

B. Notice of Annual Allowable Annual Rent Increase.

1. The allowable annual rent increase shall be annually calculated by the Board of Supervisors and posted by February 15th of each year in the County Building, on the County's website, and on a notice board in each mobile home park, and shall be mailed to each park owner and to the mobile home owner representative in each park.

2. Notice in Mobile Home Parks. A copy of the County's notice shall also be posted in a prominent place by each park owner in each mobile home park within three (3) work days after it is received by the park owner.

C. In the event that the CPI decreases, no rent decrease shall be required pursuant to this section. In the event that the CPI decreases by more than two percent (2%) in any year, said decrease shall be subtracted from the following annual increase(s) allowable pursuant to this section.

D. Increases authorized pursuant to this section may be implemented by the landlord at any future time, subject to the precondition that by January 30th of each year the park owner notify the mobile home owner of each increase allowed pursuant to this section which has not been implemented and notification that the banked increase may be added to the rent at a future date.

E. Compliance with State Law. Rent increases permitted pursuant to this section shall not be effective and shall not be demanded, accepted, or retained until the landlord has given the notice required by state law.

9101-8 ALLOWABLE RENT FOLLOWING EXPIRATION OF AN EXEMPT LEASE

In the event a space was previously exempt under a lease pursuant to California Civil Code Section 798.17, the base space rent, for purposes of calculating the annual adjustment, shall be the rent in effect as of the date of expiration of the lease; provided, that space rents can be verified by information required on, and/or documentation submitted with, the annual registration application.

9101-9 ALLOWABLE RENT INCREASES UPON 'IN PLACE' TRANSFER OF MOBILE HOME OWNERSHIP

A. Subject to the limitations stated herein, upon the closure of an "in-place" sale, transfer or other conveyance of a mobile home subject to this Chapter, the park owner may increase the space rent by five (5%) percent.

B. No rent increase may be imposed pursuant to this section when an existing mobile home owner or resident replaces an existing mobile home with another mobile home, occupying the same mobile home space.

C. No increase may be imposed pursuant to this section where title to the mobile home passes to one or more person(s) who, at the time of the title transfer, (1) was/were also lawful, authorized resident(s) of the mobile home, or (2) were/are parents, siblings, children, nieces, or nephews of the mobile home owner and the mobile home remains in the same space.

D. No increase may be imposed pursuant to this section if an increase was imposed pursuant to this section within the twenty-four-month (24) period preceding the most recent transaction that would otherwise justify the increase pursuant to this section.

E. Rent increases authorized by this section shall be in addition to any other space rent increases authorized by this chapter.

9101-10 FAIR RETURN STANDARD

A. Presumption of Fair Base Year Net Operating Income. It shall be presumed that the net operating income received by the landlord in the base year provided the park owner with a fair return.

B. Fair Return. A park owner has the right to obtain a net operating income equal to the base year net operating income adjusted by one hundred percent (100%) of the percentage increase in the CPI since the base year. It shall be presumed this standard provides a fair return. The base year CPI shall be the annual average CPI for 2016. The current year CPI shall be the annual average CPI for the calendar year which is used as the current year in the application.

C. Base Year.

1. Except as provided in subsection (C) (2) of this section, "base year" means the 2016 calendar year.

2. In the event that a determination of the allowable rent is made pursuant to this section, if a subsequent petition is filed the base year shall be the year that was considered as the "current year" in the prior petition.

D. Current Year. The current year shall be the calendar year that precedes the year in which the application is filed.

E. Adjustment of Base Year Net Operating Income. The park owner or the tenants may present evidence to rebut the presumption of fair return based upon the base year net operating income as set forth in subsection A of this section based on at least one of the following findings:

1. Exceptional Expenses in the Base Year. The park owner's operating expenses in the base year were unusually high or low in comparison to other years. In such instances, adjustments may be made in calculating operating expenses so the base year operating expenses reflect average expenses for the property over a reasonable period of time. The following factors shall be considered in making such a finding:

- a. Extraordinary amounts were expended for necessary maintenance and repairs.
- b. Maintenance and repair was below accepted standards so as to cause significant deterioration in the quality of services provided.
- c. Other expenses were unreasonably high or low notwithstanding the application of prudent business practices.

2. Exceptional Circumstances in the Base Year. The gross income during the base year was disproportionately low due to exceptional circumstances. In such instances, adjustments may be made in calculating base year gross rental income consistent with the purposes of this chapter. The following factors shall be considered in making such a finding:

- a. If the gross income during the base year was lower than it might have been because some residents were charged reduced rent.
- b. If the gross income during the base year was significantly lower than normal because of the destruction of the premises and/or temporary eviction for construction or repairs.
- c. The pattern of rent increases in the years prior to the base year and whether those increases reflected increases in the CPI.
- d. Base period rents were disproportionately low in comparison to the base period rents of other comparable parks in the County.
- e. Other exceptional circumstances.

F. Calculation of Net Operating Income.

1. Net Operating Income. Net operating income shall be calculated by subtracting operating expenses from gross rental income.

2. Gross Rental Income.

a. Gross rental income shall include the following:

- i. Gross rents calculated as gross rental income at one hundred percent (100%) occupancy, adjusted for uncollected rents due to vacancy and bad debts to the extent such vacancies or bad debt are beyond the control of the landlord. Uncollected space rents in excess of three percent (3%) of gross space rent shall be presumed to be unreasonable unless established otherwise and shall not be included in computing gross income.
- ii. All other income or consideration received or receivable in connection with the use or occupancy of the rental unit, except as provided in subsection (F) (2 (b) of this section.
- b. Gross rental income shall not include:
 - i. Utility charges for charges for sub-metered gas and electricity.
 - ii. Charges for water, refuse disposal, sewer service, and/or other services which are either provided and charged to mobile home residents solely on a cost pass-through basis and/or are regulated by state or local law.
 - iii. Any amount paid for the use and occupancy of a mobile home unit (as opposed to amounts paid for the use and occupancy of a mobile home space).
 - iv. Charges for laundry services.
 - v. Storage charges.

3. Operating Expenses.

- a. Operating expenses shall include the following:
 - i. Reasonable costs of operation and maintenance.
 - ii. Management Expenses. It shall be presumed that management expenses have increased by the percentage increase in rents or the CPI, whichever is greater, between the base year and the current year unless the level of management services has either increased or decreased significantly between the base year and the current year.
 - iii. Utility Costs. Utility costs except utility where the consideration of the income associated with the provision of the utility service is regulated by state law and consideration of the costs associated with the provision of the utility service is preempted by state law.
 - iv. Real Property Taxes. Property taxes are an allowable expense, subject to the limitation that property taxes attributable to an assessment in a year other than the base year or current year shall not been considered in calculating base year and/or current year operating expenses.
 - v. License and Registration Fees. License and registration fees required by law to the extent these expenses are not otherwise paid or reimbursed by tenants.
 - vi. Landlord-Performed Labor. Landlord-performed labor compensated at reasonable hourly rates.
 - (A) No landlord-performed labor shall be included as an operating expense unless the landlord submits documentation showing the date, time, and nature of the work performed.
 - (B) There shall be a maximum allowed under this provision of five (5%) percent of gross income unless the landlord shows greater services were performed for the benefit of the residents.
 - vii. Costs of Capital Replacements. Costs of capital replacements plus an interest allowance to cover the amortization of those costs where all of the following conditions are met:
 - (A) The capital improvement is made at a direct cost of not less than one hundred dollars (\$100.00) per affected rental unit or at a total direct cost of not less than five thousand dollars

(\$5,000.00), whichever is lower.

(B) The costs, less any insurance proceeds or other applicable recovery, are averaged on a per unit basis for each rental unit actually benefited by the improvement.

(C) The costs are amortized over a period of not less than thirty-six (36) months.

(D) The costs do not include any additional costs incurred for property damage or deterioration that result from any unreasonable delay in undertaking or completing any repair or improvement.

(E) The costs do not include costs incurred to bring the rental unit into compliance with a provision of the Humboldt County Code or state law where the original installation of the improvement was not in compliance with code requirements.

(F) At the end of the amortization period, the allowable monthly rent is decreased by any amount it was increased because of the application of this provision.

(G) The amortization period shall be in conformance with a schedule adopted by the County unless it is determined that an alternate period is justified based on the evidence presented in the hearing.

viii. Legal Expenses. Attorneys' fees and costs incurred in connection with successful good faith attempts to recover rents owing, successful good faith unlawful detainer actions not in derogation of applicable law, and legal expenses necessarily incurred in dealings with respect to the normal operation of the park to the extent such expenses are not recovered from adverse or other parties, subject to the following requirements:

Reasonable fees, expenses, and other costs incurred in the course of successfully pursuing rights under or in relationship to this Chapter and regulations adopted pursuant to the Chapter including costs incurred in the course of pursuing successful fair return petitions. Said expenses shall be amortized over a five (5)-year period, unless the County concludes that a different period is more reasonable.

Recovery of expenses incurred in the course of preparing and presenting a fair return petition shall be limited when a park owner rejects a settlement offer and then does not recover more than proposed settlement. The purpose of this limitation is to encourage both park owners and mobile home owners to minimize, to the extent possible, the cost and expense of fair rate of return mobile home space rent administrative proceedings by providing a mechanism for the early settlement of fair rate of return administrative proceedings.

At any time after filing a fair rate of return rent application, the designated representative of the residents of the mobile home park may serve an offer in writing in the mobile home park owner who has filed that petition to stipulate to a compromise amount for the fair rate of return rent increase requested in the petition. The designated representative shall also file a copy of this written settlement offer with the County in a separately sealed envelope and with a statement on the outside of the envelope stating that it is a written settlement offer pursuant to this subsection. The sealed copy of the written settlement offer that is so filed with the County is not to be opened by the County until it is either accepted by the park owner or, if it is not accepted by the park owner, after a final rent increase award or denial has been made on the park owner's petition by either the County or by the hearing officer. Upon receiving such offer to compromise, the mobile home park owner has seven (7) days to accept the offer by filing a written acceptance with the County.

A mobile home park owner is not entitled to recover a portion of application expenses, fees, or

other costs that are incurred following the submission of a prevailing offer and the residents may recover reasonable attorneys' fees incurred by the residents after the rejection of a "prevailing" offer. The designated mobile home owners' representative shall be determined to have made a prevailing offer if a settlement offer has been made and that offer has not been accepted by the park owner within seven (7) days after the making of that offer, and the park owner's rent increase award fails to exceed the amount of that settlement offer.

Allowable legal expenses which are of a nature that does not recur annually shall be amortized over a reasonable period of time. At the end of the amortization period, the allowable monthly rent shall be decreased by any amount it was increased because of the application of this provision.

ix. Interest Allowance for Expenses That Are Amortized. An interest allowance shall be allowed on the cost of amortized expenses; the allowance shall be the interest rate on the cost of the amortized expense equal to the "average rate" for thirty (30)-year fixed rate on home mortgages plus two percent (2%). The "average rate" shall be the rate Freddie Mac last published in its weekly Primary Mortgage Market Survey (PMMS) as of the date of the initial submission of the petition. In the event that this rate is no longer published, the index which is most comparable to the PMMS index shall be used.

b. Operating expenses shall not include the following:

i. Mortgage principal or interest payments or other debt service costs.

ii. Any penalties, fees or interest assessed or awarded for violation of any provision of this chapter or of any other provision of law.

iii. Land lease expenses.

iv. Political contributions and payments to organizations which are substantially devoted to legislative lobbying purposes.

v. Depreciation.

vi. Any expenses for which the landlord has been reimbursed by any utility rebate or discount, security deposit, insurance settlement, judgment for damages, settlement or any other method or device.

vii. Unreasonable increases in expenses since the base year.

viii. Expenses associated with the provision of master-metered gas and electricity services.

ix. Expenses which are attributable to unreasonable delays in performing necessary maintenance or repair work or the failure to complete necessary replacements (e.g., a roof replacement may be a reasonable expense, but if water damage occurred as a result of unreasonable delays in repairing or replacing the roof, it would not be reasonable to pass through the cost of repairing the water damage).

c. Adjustments of Operating Expenses. Base year and/or current operating expenses may be averaged with other expense levels for other years or amortized or adjusted by the CPI, or may otherwise be adjusted in order to establish an expense amount for that item which most reasonably serves the objectives of obtaining a reasonable comparison of base year and current year expenses. Grounds for such adjustments include, but are not limited to:

i. An expense item for a particular year is not representative;

ii. The base year expense is not a reasonable projection of average past expenditures for that

item in the years immediately preceding or following the base year;

iii. The current year expense is not a reasonable projection of expenditures for that item in recent years or of future expenditures for that item;

iv. A particular expense exceeds the normal industry or other comparable standard for the area, the park owner shall bear the burden of proving the reasonableness of the expense. To the extent that it is found that the expense is unreasonable it may be adjusted to reflect the normal industry standard;

v. A base year expense is exceptionally low by industry standards and/or on an inflation adjusted basis is exceptionally low relative to current year expenses although the level or type of service has not changed significantly;

vi. An increase in maintenance or management expenses is disproportionate to the percentage increase in the CPI, while the level of services has not changed significantly and/or is not justified by special circumstances.

G. In the event that the period for determining the allowable rent increase pursuant to this section exceeds one hundred twenty (120) days, the park owner may recover increases that would have been permitted if the rent increase decision had been made within one hundred twenty (120) days. The allowance for these increases may be amortized or may be factored into the prospective allowable increase in order to avoid undue hardship on the mobile home owners.

H. The allowable rent increase per mobile home park space pursuant to this section shall not be increased as a result of the fact that there are exempt spaces in the park.

I. Assurance of a Fair Return. It shall be presumed that the MNOI standard provides a fair return. Nothing in this chapter shall preclude the County or the hearing officer from granting an increase that is necessary in order to meet constitutional fair return requirements.

9101-11 PROCEDURES FOR REVIEW OF FAIR RETURN PETITIONS

A. Right to Petition. A park owner may petition for a rent increase in order to obtain a fair return. No petition for a fair return rent adjustment may be filed pursuant to this Chapter until thirty (30) days after this Chapter goes into effect. After 2016, no petition may be filed in November or December of any calendar year except in cases of exceptional or unforeseen circumstances.

B. Limit on Frequency of Petitions. Only one (1) petition pursuant to this section may be filed for a mobile home park within a twelve (12)-month period. An exception to this limitation shall be authorized in the event of extraordinary circumstances that could not reasonably have been foreseen at the time the prior petition was filed.

C. Submission of Petition.

12. Notice of Decision. County staff shall mail copies of the decision to the park owner and all affected mobile home park tenants within three (3) days of the decision. Copies of the decision shall be emailed to the park owner and residents' representative as soon as possible after the decision is made and in all cases within twenty-four (24) hours after the decision is made.

Within seven (7) days of receipt of the notice of decision awarding fees, the prevailing party shall submit a written request and accounting of these fees and serve that request simultaneously on all parties by regular and electronic mail. Within seven (7) days of receiving the request by the prevailing party, the opposing party may file an objection to that request. Within seven (7) days of the date that an opposition is submitted or within seven (7) days of the deadline for an opposition, if none is submitted, the hearing officer shall submit a proposed supplemental decision stating the amount of fees included in the award, which shall become final in seven (7) days after the proposed decision, unless either party requests an evidentiary hearing within seven (7) days, in which case a final decision shall be made within seven (7) days after the hearing. If the prevailing party is the mobile home owners' representative, then the park owner shall file an affidavit with the County, stating that the award of attorneys' fees has been paid in full and shall not be permitted to implement a rent increase pursuant to this section until such payment has been made. For good cause, the hearing officer may modify the procedure set forth in this subsection for determining an award for a prevailing party.

E. **Overall Period for Review of Fair Return Petition.** After a petition is deemed complete, the overall time for conducting a hearing and issuing a final decision by the hearing officer shall not exceed one hundred eighty (180) days, unless the hearing officer determines that there is good cause for extending this deadline or the County extends this period due to the length of time required to accommodate scheduling availability and limitations required to obtain the services of a hearing officer.

2. If the hearing officer finds that a material service reduction has occurred, the hearing officer shall determine the resultant percentage reduction in the homeowners’ enjoyment of their homes due to the service reduction.

3. Rent shall be reduced by that percentage or amount. The homeowners also shall be entitled to a rebate of the following sum: the monthly rent reduction multiplied by the number of months between the date the homeowners notified the park owner of the reduction in service, and the date the County determined the rent reduction.

4. A service reduction shall not include the elimination or reduction of a recreational facility or service when such elimination or reduction and rent decrease resulting therefrom have the prior written approval of two-third (2/3) of the homeowners. In such cases no rebate shall be required.

5. No recreational service or facility which has been reduced or eliminated shall be reinstated at any cost to the homeowners without prior written approval of two-third (2/3) of the homeowners.

B. Collection. The administrative service fee shall be paid to the County from every occupied mobile home space, except exempt spaces which shall be excluded from paying the fee.

C. Purpose and Limitation on Use. The purpose of the fee is to reimburse, in whole or in part, the County for the reasonable costs of conferring the benefits and privileges provided by this Chapter to the benefit of the mobile home owners who are collectively paying the fee. These costs may include, but not be limited to, the costs of administering and enforcing the rent stabilization provisions of this Chapter; defending those provisions and their administrative enforcement from litigation challenging them; defending the administrative decisions of the County that would result in the preservation of the mobile home spaces receiving the benefits of this Chapter as rental spaces that are qualified, under state law, to continue to receive the benefits of this Chapter from their conversion to subdivided lots or other uses that would result in their loss of the rent stabilization benefits and privileges conferred by this Chapter from litigation

challenging them and providing grants to mobile home park homeowners' associations, or legal service providers, to partly cover the costs of providing the legal services necessary for enforcing their rights in administrative proceedings under this Chapter. All moneys collected by the County through this administrative fee shall be set aside and used by the County only for the purposes set forth in this subsection and shall not exceed the reasonable costs of conferring the benefits and privileges provided by this Chapter to the persons collectively paying the fee, including providing the County with a reserve for covering such future costs, compensating the County for the expenditure of such prior costs and covering the payment of any loans that the County has or may incur to help pay for the costs of providing the benefits and privileges of this Chapter, including loans to help pay the County's costs of defending against litigation that is covered under this subsection.

D. The amount of administrative fees and requirements for submission of the fees shall be reasonable, shall not exceed a total of five dollars (\$5.00) per space per month, and shall be set by resolution of the Board of Supervisors in compliance with the specific purpose and limits of this section. Monthly fees applicable to mobile home park spaces covered by this Chapter shall be collected by each park owner and submitted to the County on a quarterly basis, within thirty (30) days after the end of each quarter. The payments shall be accompanied by reporting as required on a form provided by County staff.

9101-27 SEVERABILITY

If any section, subsection, sentence or clause of this Chapter is for any reason held to be invalid or unconstitutional by the decision of any court of competent jurisdiction, such decision shall not affect the validity of the remaining portions of this Chapter.
